Heze Huasheng Wooden Co., Ltd.

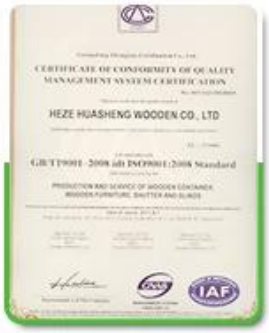
COMPANY PROFOLE

Huasheng wooden Co., Ltd was established in 1996 in Zhuangzhai Town Heze City Shandong province China.

In the year of 2014, Heze Enda Plastic Industry co., Ltd have been established as our brother company. In the near future,we will keep working on develop more window covering program.

Now we are mainly supply for Paulownia shutter and blinds in the past. But to meet customer's different needs,We started to supply customer Basswood shutter,PVC shutter,Aluminium shutter and components.

CERTIFICATION



OUR FACTORY

OUR EXHIBITION

Why choose us?

1.Not Limited & Regenerative Raw Materials.

Paulownia is one of the fastest growing trees in the world, capable of growth rates of well over seven feet per year as a seedling, but while it`s highly appreciated and cultivated in Asia, so Paulownia is not limited and regenerative raw materials, we have got FSC certification for paulownia.

2.Competitive Price & Delivery in time.

Every month we have no less than 10,000 cubic metres in storage, then we can promise load time and support competitive price.

3.QC.

More than 20 inspectors to control quality in every step.

4.Both shutters and Blinds with Different Material for you to mix container

We manufacture both shutters and blinds with different material. For shutters, with

paulownia wood/Basswood/PVC wood shutter and shutter components, for wooden blinds, including both basswood and paulownia wood blinds, and blinds components. You can shutters and blinds in one container, or finished shutter and shutter components in one container, to save your cost .
