The origin of traditional Spring Festival customs

New Year's Eve is the last night of the year. The last day of the end of the year is called "New Year", which means that the old year is divided and the New Year is replaced. To divide means to remove; Xi means night. "New Year's Eve" is the meaning of the night of the New Year, also known as New Year's Eve, New Year's Eve, eve, etc., when the last night of the end of the year. New Year's Eve is a time for cleaning up the old, reuniting the family and offering sacrifices to ancestors.

New Year's Eve, HUASHENG INDUSTRY will celebrate the New Year with you
