

Zebra Shades

A modern and versatile window treatment that will transform any room. Zebra shade, also referred to as dual shades or zebra shades, combine solid and sheer linear bands to form a single shade that gives you precise light control.

When aligned, solid bands seamlessly block natural light and ensure privacy; when shifted, the sheer bands transition to diffuse light and reveal the view.

Child safety hang card

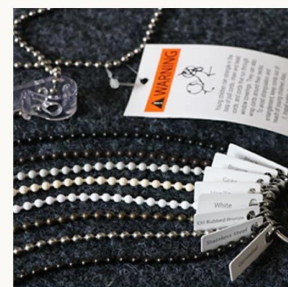

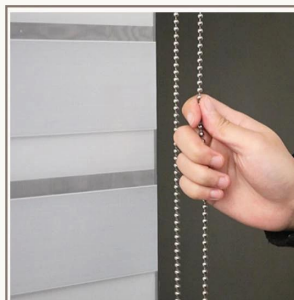

Every safety card gathers care for children. Thoughtful details and high-quality materials make safety more lightweight.

Free combination of materials and colors, with sealed tracks providing multiple choices, whether for home decoration or other purposes, there is always one that suits you.

Silent bead design, delicate operation without disturbance, caring for every quiet moment.

Multiple bead styles, freely matched to meet different decorative needs, making curtain operation more comfortable and life more convenient.
